Mayor's Message:

Our Centennial Legacy

Mayor Barb Desjardins

As 2012 draws to a close I have been reflecting on centennial legacies. There are tangible legacies, such as the Centennial Memorial Walkway, the Coast Salish artwork at Esquimalt High School, and the Centennial Book, which will be a part of our community always. There are also memories that will be with me always, of people, of events, of community partners and organizations, of all of us working together to mark our centennial year. These are legacies as well. There is not space here to extend my heartfelt thanks individually to everyone involved in our centennial celebrations, but I do want to thank all of our volunteers, community and government partners, sponsors, suppliers and staff members for your contributions to making this a year to remember for Esquimalt. To our residents, thank you for your support

and enthusiasm of events within our community in 2012. Of course our milestone year is not over yet and I look forward to seeing everyone at our seasonal Celebration of Lights on December 4th and the grand opening of our Centennial Walkway on December 8th, among many other Township events.

Council continues to work on strategic priorities to ensure community strength and prosperity for the next 100 years. Please feel free to drop in at our economic round tables taking place over the coming months to observe the progress of our Economic Development Strategy, and watch for public consultation opportunities on this important initiative in 2013. We are continually seeking ways for you, Township residents and businesses, to be engaged with Municipal Hall. We are excited to let you know we will be launching our social media sites shortly. Watch for updates on our website.

Barbara Desjardins

Township Commences Economic Development Strategy Roundtables

A schedule of economic round table meetings commenced at the Township on October 17th with the convening of the Small Business Round Table. In the next few months round tables will be held for other sectors of the economy including tourism, shipbuilding and defence, development, environment, First Nations, health and wellness and education and training. After the sector round tables are completed the results will be compiled and form the basis of a community wide public consultation process. All of this information will guide the development of an Economic Development Strategy for the Township, a Council priority identified in the 2012 Strategic Priorities Report.

For further information please contact Bill Brown at bill.brown@esquimalt.ca

Plan to attend the Grand Opening of the Centennial Walkway at Memorial Park! The walkway redesign has been completed and inscribed pavers purchased by participants will be in place for the event. Hot drinks will be served. Rain or shine event. Festival tenting will be assembled in case of rain.

Township Welcomes New Staff Members to Management Team

Ian Irvine has been hired as the Township's new Chief Financial Officer and Director of Financial Services. Ian commenced his duties Monday, September 10th, 2012.

Ian Irvine

Ian is a Certified Public Accountant who brings an impressive track record to his new position. Ian most recently worked for Thrifty Foods in Victoria as Manager of Audit, Compliance and ERM. Before this, he held analyst and auditor positions with the ATCO Group, and Deloitte and Touche LLP, both based in Calgary. From 2001 to 2005, Ian was based in Victoria as a Financial and

Performance Auditor for the Province of BC's Office of the Auditor General.

The Township also welcomes **Ray Saurette** to the position of Deputy Fire Chief, taking over from Gord Anderson, who recently retired. Ray started in his new position on October 2nd, 2012.

Ray Saurette

Ray brings over 30 years of experience to his new role in the Township. He began his career as a Fire Service Coordinator for the City of Airdre, Alberta in 1981. Since then Ray has worked for Jasper National Park as Fire Chief, and Deputy

Fire Chief and Fire Chief for the District of Squamish. Since 2009, Ray has been the Fire Rescue Team Lead for BC Hydro.

"We are very happy to have Ian and Ray here at the Township" said Chief Administrative Officer Laurie Hurst. "I'd also like to take this opportunity to thank Gord Anderson for his many years of dedication to the Township."

Welcome to the Township Ian and Ray and best wishes to Gord Anderson!

Lock Box Bylaw Proposed by Esquimalt Fire Department

A new bylaw is being drafted to provide Esquimalt Fire Rescue crews with round the clock emergency access to apartment and condominium complexes in the Township. The bylaw is expected to take effect in January, 2013, and will call for the vaults to be installed near the front doors of large residential complexes.

"Key vaults will allow us to quickly enter buildings in an emergency situation and reduce risks to both residents and structures," said George McGregor, Assistant Fire Chief for the Township.

Fire Department key vaults are currently in use in Greater Victoria and throughout North America and allow fire crews access to buildings with the use of a single key as opposed to multiple

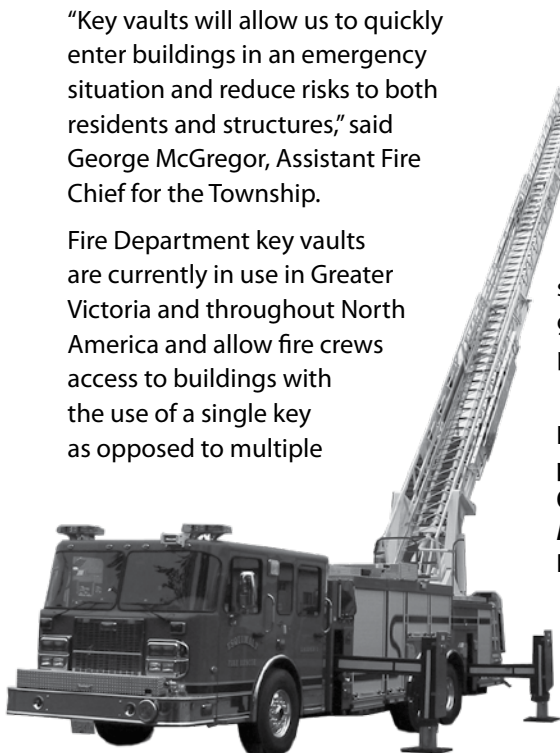

keys. Once installed, the flush-mounted tubular vaults are inspected by fire crews annually to ensure security.

Future large scale building projects will have key vaults installed as a condition of their development. The bylaw will allow for a three year lead time for all existing buildings to have vaults installed.

Installations will be completed by an approved installation contractor working with the Esquimalt Fire Department.

Once the bylaw is passed by Council, Esquimalt Fire Rescue will begin working with local building owners, strata corporations, and developers to get the program underway and enhance public safety in these buildings.

Time for Renewal

Business Licences, Dog Licences Renewal in New Year

At the end of December 2012, the Township will be mailing out renewal notices for 2012 businesses. Residents and business owners are encouraged to renew their business licence by January 31st, 2013. After that date an additional licence fee of 10% (with a minimum fee of \$25) will be applied.

Failure to renew a business licence is an offence under the Township's Business Licence and Regulation Bylaw No. 2482, which provides for fines of up to \$2,000. If you are no longer operating your business in Esquimalt, please contact the Business Licence Clerk at 250-414-7157 or via email: louise.payne@esquimalt.ca, so we can update our records.

At the end of December 2012, the Township will also be mailing out renewal notices for dog licences. A discount of \$5.00 applies for payments on dog licences received by January 31, 2013.

For more information on licencing, please call 250-414-7157
