### Management Letter

The accompanying financial statements and schedules of the Corporation of the Township of Esquimalt (the "Township") are the responsibility of management. To ensure their integrity, objectivity, and reliability, management has selected appropriate accounting policies in accordance with Canadian generally accepted accounting principles for local governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants. The financial statements necessarily include some amounts that are based on estimates and the judgement of management with appropriate consideration of materiality.

The Township's accounting systems and related internal controls and supporting processes and procedures are designed and maintained to provide reasonable assurance that financial information is complete and accurate, and assets are safeguarded from loss. The procedures include the establishment of an organizational structure that provides a well defined division of responsibilities, accountability for performance, communication of standards of business conduct, and the selection, retention, and training of qualified staff.

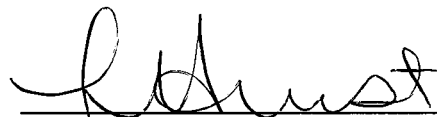

The Township's Council oversees management's internal control and financial reporting responsibilities. Council reviews and approves the Township's financial statements, and meets with management and its independent auditors to satisfy themselves that management's responsibilities are properly discharged.

KPMG LLP, Chartered Accountants, the independent auditors appointed by Council examined the financial statements and issued their Audit Report. The auditors have full and unrestricted access to Council to discuss their audit and their related findings.
