

[Notice of Tender R2](#) [Esquimalt Public Safety Building](#)

Please take notice that Knappett Projects Inc, acting as the Construction Manager for the Township of Esquimalt, will be receiving bids from qualified subtrades for all subtrade scopes of work for the following project:

Esquimalt Public Safety Building 500 Park Place, Esquimalt, British Columbia

The work of this project generally involves construction of a 4-bay fire hall with various auxiliary and support spaces. The building is of hybrid cast-in-place concrete and steel construction with three storeys above grade, and one storey below grade. The building is designed to meet the code requirements for post-disaster buildings and is also designed to meet the Zero Carbon Building standard.

To obtain Tender Documents, please email the Construction Manger at: caleb@knappett.com

Tender closing date (which may be revised via Addendum): **April 17, 2024, at 2:00pm**

This Notice of Tender is for information only, and all detailed instruction regarding the Tender are contained within the Tender Document package.

Tender submissions are to be sent to: tender@knappett.com.
